

SELFIES & HEALTH PROJECT

Project Title: *The self, selfies and the performance of health in young people*

I hereby consent to participate in the above-named research project.

I acknowledge that:

- I have read the participant information sheet (or where appropriate, have had it read to me) and have been given the opportunity to discuss the information and my involvement in the project with the researcher/s and other trusted advisors; and
- The procedures required for the project and the time involved have been explained to me, and any questions I have about the project have been answered to my satisfaction.

I consent to:

- participate in up to two group workshops each with a duration of up to three hours;
- participate in up to two individual interviews with the lead researcher each with a duration of up to one hour;
- the lead researcher audio recording my individual interview/s;
- converse with the research team regarding the study in person, via phone, text message, email or other mutually agreed channel to negotiate attendance and participation in group and individual components of the research;
- the analysis and publication in summarised form, of data I contribute to the dataset; and
- the archiving of data that can be deidentified, such as interview transcripts, in the Western Sydney University repository ResearchDirect.

I understand that:

- I will be invited to provide further consents during the research project, at a time when I can make an informed decision regarding that consent. Future consents I may be invited to consider include consent to disseminate specific data I contribute such as quotes from an interview or an image;
- My participation in this study will have no effect on my relationship with the researcher/s, and any organisations involved, now or in the future;
- I can choose to withdraw from participation in the study, or elements of the study, at any time;
- I can choose to withdraw my data, understanding that data contributed in a group situation may not be able to be withdrawn.

If you are under the age of 18, this form needs to be co-signed by your parent or legal guardian to enable your participation in this project.
